Attachments: [Summary of Comments on CIP June 8 1992 - adeq comments.pdf](#)

Hello Stephen,

Attached are a few comments/questions from the project team for the old community plan.

These comments were not routed through division management; this is just some information the EPA site community involvement section can decide to use or not use.

When the draft CIP document is ready for review, we will route it through the division for review and concurrence.

Thanks,

Mark Moix, Engineer
Project Coordinator
ADEQ Hazardous Waste Division
